

Proposed Broadband Service Map For Crystal Lake Township

April 2024

The service map was provided by Cherry Capital Connection

- The green lines represent routes that are under construction and nearing completion.
- The green lines are expected to be operational by the end of May 2024.
- This route runs from US-31 to the Fire Department in Frankfort.
 - Supports the new emergency communications tower to be built adjacent to the Fire Department.
- The yellow lines represent routes under permit. These permits are valid for a 12-month construction cycle.
 - Once activated, any serviceable location along these routes will be eligible for service.
- The blue lines within the shaded areas indicate “areas of interest”.
 - Service drops within these areas of interest may be installed prior to the main line being activated.
- Residents located within the blue shaded areas are encouraged to sign up at cccfiber.com for a sales follow-up.
